SUMMARY

Creative developer with a strong background in computer science and engineering, specializing in web development. I am enthusiastic about using technology to pioneer creative solutions. Eager to contribute to innovative projects and leverage cutting-edge technologies to drive growth and efficiency.

EDUCATION

Bachelor of Technology in Computer Science and Engineering with specialization in Cyber Security, 2025
Shri Ramdeobaba College of Engineering and Management, Nagpur

PROJECTS

Face Recognition-Based Attendance Monitoring System
- Created attendance monitoring system with the team of 4 members using LBPH algorithm for precise face recognition.
- LBPH's robustness ensures reliable recognition under diverse lighting and expressions.
- Tech Stack: Python 3, OpenCV, PHP, HTML/CSS/JavaScript

Quick Math   (link)
- Python project utilizing Tkinter for a smart calculator.
- GUI interface for user input and interaction.
- Supports basic arithmetic operations: addition, subtraction, multiplication, division and LCM and HCF of two numbers.
- Tech Stack: Python, Tkinter

SKILLS

Programming Languages and Algorithms

Python (Intermediate)   Java (beginner)   Data Structures and Algorithms   Object-Oriented Programming

Web Development & UI

HTML/CSS   JavaScript   Figma   Photoshop

Tools & Technologies

StarUML   AWS   MongoDB   SQL   Virtualbox

Cyber Security

Security Protocols   Web Security   Network Security   Encryption

ACHIEVEMENTS

Graphics lead ACM students chapter

Headed graphic design initiatives, collaborating with a team to create visually stunning promotional materials for chapter events and activities.

TIAA Retirement Industry AI Hackathon: T3 Hack

Participated in the Retirement Industry AI Hackathon by TIAA, showcasing innovative AI solutions for the retirement sector. Secured a spot among the top 50 teams, underscoring the commitment to advancing technology in financial services.

Coding Platforms

Skilled in Python with a 5-star rating on HackerRank, and proficient in Data Structures/Algorithms with a 4-star rating on the platform. Leetcode 50 days badge with 100+ questions solved. Top 25% on Leetcode (Max Rating 1578)

CERTIFICATION AND INTERNSHIP

SALESFORCE DEVELOPER VIRTUAL INTERNSHIP BY SALESFORCE

ZERO TRUST CLOUD SECURITY VIRTUAL INTERNSHIP BY ZSCALER

INTRODUCTION TO NOSQL DATABASES BY IBM

MACHINE LEARNING & DEEP LEARNING IN PYTHON & R BY UDEMY

THE COMPLETE HTML AND CSS MASTERY WITH REAL PROJECTS 2023

BLOCKCHAIN: UNDERSTANDING ITS USES AND IMPLICATIONS BY IBM
